

MagRabbit

Dedicated **FLEET**

Delivering customized solutions for mission critical logistics programs.

Our solutions allow companies the opportunity to increase supply chain efficiencies by utilizing proprietary supply chain management techniques, flexible IT systems, and extensive value-added logistics experience.

- **Dedicated Truckload**
- **Fleet Management**
- **Local Delivery**
- **Warehousing & Distribution**
- **Order Consolidation**

We offer a wealth of experience and a strong track record delivering customized solutions to Fortune 500 companies, as well as mid-market and small businesses.

Our value is creating significant cost savings for our customers by using our outsourcing domain expertise, resulting in total value chain management and maximized return on investment for our customers.

Our track record shows that we have achieved impressive cost reductions due to better facility layouts, appropriate use of technology, and process redesign.

Certified MBE by the NMSDC

MagRabbit-Dedicated Fleet has committed itself to **Total Quality Management** emphasizing **proactive involvement**, **preventative action** and **continuous improvement** throughout.

Benefits we bring to our customer relationships:

- Reputation for flexibility and unparalleled responsiveness to our customers.
- Proven track record of successful implementation and on-going operational excellence for Fortune 500 companies' mission critical logistics programs.
- A core value of continuous improvement, which translates into on-going cost reductions and new ideas for increasing the efficiency of the supply chain.
- Developing custom solutions that address the specific business objectives and opportunities of our clients.

Close liaison with customers, as well as suppliers, is maintained to ensure that products and services meet both internal and external customer requirements.

Our Service Philosophy

- We exceed our customer's expectations
- We partner with our customers and suppliers to achieve a common vision
- We do it right today and even better tomorrow
- We respect all team members and encourage self-empowerment
